

## **\*\*ATTENTION ALL ARCHERS\*\***

*It is time for the San Diego Archers'*

# **Annual Flying Pig 3D Tournament & Fundraiser!**

### **The San Diego Archers**

Will host this fun, novelty event

**On Sunday, February 4, 2018**

At the Balboa Park Rube Powell  
Archery Range

### **Entry Fee:**

\$10 for SDA members  
& Active Duty Military

\$15 for non-members.

Registration opens at 7:00 am

**Registration closes at 8:45 am**

Shoot begins at 9 am

This Event will be a Fundraiser for

**The Wounded Warrior Battalion Archery Clinic**

The San Diego Archers will match, 100%, all funds raised at the shoot & purchase new archery equipment dedicated solely to this program!

*The Wounded Warrior Battalion Archery Clinic is one of the many Health & Wellness clinics offered through the USMC Warrior Athlete Reconditioning Program. It is a year-round, six-week archery clinic held at our Morley Field Archery Range (Week Six is at the Balboa Park Rube Powell Archery Range). The San Diego Archers currently support this program by providing volunteer instructors, maintenance of existing archery equipment and archery range use. We have seen first-hand how this program benefits many of our Wounded Warriors. The SDA would like to purchase more archery equipment so that more service members may participate in this great program.*

**\*\*\* Bring extra \$\$\$ for mulligans at the Flying Pig and for tickets to win exciting prizes! \*\*\***

(Donations still being accepted, if you would like to contribute!)

### **THE FLYING PIG 3D SHOOT**

**~Range Finders Allowed~**

If you know anything about the local flora and fauna of the Balboa Park area of San Diego, you will be aware of not only the existence, but also the migratory patterns of the Pink Lesser Spotted Rhinehart Flying Pig.

For those of you who are less familiar with this legendary exodus, all indications point to the migration beginning on Sunday, February 4th, 2018, starting at 9:15am and lasting until around noon. During this time we anticipate that each person will get at least one chance to shoot at this unusual creature during its majestic flight across the Balboa Park skies (plus 27 other targets)!

Get out your bows and start practicing! Registration for this range finder-approved novelty 3D event starts at 7 am.

This is a **2 ARROW**, novelty 3D shoot. You'll find the Pink Lesser Spotted Rhinehart Flying Pig and a wide range of other high quality Rhinehart and Mackenzie targets set at unmarked yardages in various hunting scenarios.

#### **3D SHOOT DETAILS:**

**Scoring: 10-8-5 (Flying Pig scoring: 20-16-10)**

**Maximum Score: 580**

**Mulligans & Doe Tags (\$1 each):**

**FLYING PIG MULLIGANS:** Additional mulligans may be purchased for the Flying Pig!

For 15 years and older, the longest distance is 50 yards.

For Youths (12-14 yo), the longest distance is 40 yards.

For Cubs (11 yo & under), the longest distance is 25 yards.

**Note: As with all 3D shoots - We will shoot come Rain or Shine.**

Please arrive at the Balboa Park Archery Range with plenty of time to register.

Please send any questions or comment to: [SanDiegoArchers@yahoo.com](mailto:SanDiegoArchers@yahoo.com)
