To expand and perpetuate the practice of archery
and the spirit of good fellowship among archers

January 18, 2018

Dear Friend of Archery,

The San Diego Archers would like to announce its 5th Annual Fundraiser at our Flying Pig 3D Shoot, to be held on Sunday, February 4th, 2018. The Flying Pig 3D Shoot is our 2nd largest event of the year, with nearly 150 archers competing from all over Southern California and beyond.

The recipient of this year's fundraiser is our Wounded Warrior Battalion Archery Clinic held at the San Diego Archers' Morley Field Archery Range. This year-round six-week archery clinic is one of the many Health & Wellness clinics offered through the USMC Warrior Athlete Reconditioning Program. The San Diego Archers currently support this program by providing volunteer instructors, maintenance of existing archery equipment and archery range use. We have seen first-hand how this program benefits many of our Wounded Warriors.

The San Diego Archers would like to purchase more archery equipment so that more service members may participate in this great program. We will match all funds collected at the Flying Pig 3D Shoot (registration fees, concessions, opportunity drawings, etc.) and donate 100% towards purchase of new archery equipment dedicated solely to the WWB Archery Clinic. We are seeking your help in this event by asking you to donate an item for our Opportunity Drawings. The tax-deductible donation from you will provide you with exposure to our tournament participants and website visitors. We are a non-profit club (Tax ID#: 27-4607869). We hope you will provide a tax deductible donation for this event.

The San Diego Archers maintain the archery venues at Balboa Park & Morley Field which are used by hundreds of people each month, including local families, collegiate clubs, JOAD (Junior Olympic Archery Development) and the Wounded Warrior Battalion. The San Diego Archers host several archery matches and novelty events each year.

Donations may be given directly to the bearer of this letter or mailed to:

Sincerely,

Allison Miller
