Duty Military
\$20 for non-members.

Registration opens at 7:00 a.m.

Registration closes at 8:45 a.m.

Shoot begins at 9:00 a.m.

This Event will be a Fundraiser for

Triple B Adventures

Triple B Adventures is a registered 501(c)(3) organization that offers active duty military and veterans a chance to reconnect with fellow vets who also feel alone, unconnected, and isolated. It is a chance for them to get together in a scenic environment and fresh air to share in stories, laughter and veteran humor without judgment. Specifically, the program addresses the strained and broken transitional system and aims to limit veteran struggles thereby reducing veteran suicides.

The San Diego Archers will match, 100%, all funds raised at the shoot & donate the entire amount to Triple B Adventures to support this great program!

***** Bring extra \$\$\$ for mulligans at the Flying Pig and for tickets to win exciting prizes! *****

(Donations still being accepted, if you would like to contribute!)

THE FLYING PIG 3D SHOOT

~Range Finders Allowed~

If you know anything about the local flora and fauna of the Balboa Park area of San Diego, you will be aware of not only the existence, but also the migratory patterns of **the Pink Lesser Spotted Rhinehart Flying Pig**.

For those of you who are less familiar with this legendary exodus, all indications point to the migration beginning on Sunday, March 1st, 2020, starting at 9 am and lasting until around noon. During this time, we anticipate that each person will get at least one chance to shoot at this unusual creature during its majestic flight across the Balboa Park skies (plus 27 other targets)!

Get out your bows and start practicing! Registration for this range finder-approved novelty 3D event starts at 7 am.

This is a 28 target, **2 ARROW** per target, novelty 3D shoot. You'll find the Pink Lesser Spotted Rhinehart Flying Pig and a wide range of other high quality Rhinehart and Mackenzie targets set at unmarked yardages in various hunting scenarios.
